STYLE AND FORMAT OF THE WASHINGTON STATE REGISTER

1. ARRANGEMENT OF THE REGISTER

Documents are arranged within each issue of the Register according to the order in which they are filed in the code reviser's office during the pertinent filing period. The three part number in the heading distinctively identifies each document, and the last part of the number indicates the filing sequence within an issue's material.

PROPOSED, ADOPTED, AND EMERGENCY RULES OF STATE AGENCIES AND INSTITUTIONS OF HIGHER EDUCATION

The three types of rule-making actions taken under the Administrative Procedure Act (chapter 34.04 RCW) or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW) may be distinguished by the size and style of type in which they appear.

- (a) Proposed rules are those rules pending permanent adoption by an agency and set forth in eight point type.
- (b) Adopted rules have been permanently adopted and are set forth in ten point type.
- (c) Emergency rules have been adopted on an emergency basis and are set forth in ten point oblique type.

3. PRINTING STYLE—INDICATION OF NEW OR DELETED MATTER

RCW 34.04.058 requires the use of certain marks to indicate amendments to existing agency rules. This style quickly and graphically portrays the current changes to existing rules as follows:

 - (i) <u>underlined matter</u> is new matter;
 - (ii) deleted matter is ((lined out and bracketed between double parentheses));
- (b) Complete new sections are prefaced by the heading <u>NEW SECTION</u>;
- (c) The repeal of an entire section is shown by listing its WAC section number and caption under the heading REPEALER.

4. EXECUTIVE ORDERS, COURT RULES, NOTICES OF PUBLIC MEETINGS

Material contained in the Register other than rule-making actions taken under the APA or the HEAPA does not necessarily conform to the style and format conventions described above. The headings of these other types of material have been edited for uniformity of style; otherwise the items are shown as nearly as possible in the form submitted to the code reviser's office.

5. EFFECTIVE DATE OF RULES

- (a) Permanently adopted agency rules take effect thirty days after the rules and the agency order adopting them are filed with the code reviser. This effective date may be delayed, but not advanced, and a delayed effective date will be noted in the promulgation statement preceding the text of the rule.
- (b) Emergency rules take effect upon filing with the code reviser and remain effective for a maximum of ninety days from that date.
- (c) Rules of the state Supreme Court generally contain an effective date clause in the order adopting the rules.

6. EDITORIAL CORRECTIONS

Material inserted by the code reviser for purposes of clarification or correction or to show the source or history of a document is enclosed in brackets [].

- (1) Registration or payment of taxes or fees on a motor vehicle, mobile home, travel trailer, boat, or any other item of personal property owned or used by the person for which state registration or the payment of a state tax or fee is required, for the one year immediately prior to commencement of the semester or quarter for which application is made,

- (8) Residence status of the student in schools attended outside the state of Washington;
- (9) Location of membership in professional, business, civic or other organizations,
- (10) Location of checking account, savings account, and/or safety deposit box for one year immediately prior

to commencement of the semester or quarter for which application is made.

NEW SECTION

WAC 250-18-035 EVIDENCE OF FINANCIAL INDEPENDENCE. A person is financially independent if he or she has not been and will not be claimed as an exemption and has not received and will not receive financial assistance in cash or in kind of an amount equal to or greater than that which would qualify him or her to be claimed as an exemption for federal income tax purposes by any person except his or her spouse for the current calendar year and for the calendar year immediately prior to the year in which application is made.

(1) To substantiate a reasonable presumption that a person is financially independent, the institution may require such documentation as deemed necessary, including but not limited to the following:

(a) That individual's sworn statement.

(b) A true and correct copy of the state and federal income tax return of the person for the calendar year immediately prior to the year in which application is made.

Should a person not have filed a state or federal income tax return because of minimal or no taxable income, documented information concerning the receipt of such nontaxable income may be submitted.

- (c) A true and correct copy of the person's W-2 form filed for the previous calendar year.
- (d) Other documented financial resources. Such other resources may include but not be limited to, the sale of personal or real property, inheritance, trust fund, state or financial assistance, gifts, loans, or statement of earnings of the spouse of a married student.
- (e) A true and correct copy of the first and signature page of the state and federal tax returns of the parents, legally appointed guardians, or person or persons having legal custody of the student for the calendar year immediately prior to the year in which application is made.

The extent of the disclosure required concerning the parent's or legal guardian's state and federal tax returns shall be limited to the listing of dependents claimed and the signature of the taxpayer and shall not require disclosure of financial information contained in the returns.

- (f) A student whose parents are both deceased or who has been made an official ward of the court may be required to provide documentation attesting to the fact of such circumstances.
- (2) To aid institutions in determining the financial independence of a student whose parents, legally appointed guardian, or person having legal custody of the student do not provide the documentation because of total separation or other reasons from the student, documentation clearly stating the student's status and relationship with his or her parents or legal guardian from a responsible third person, e.g., family physician, lawyer, or social worker may be submitted.
- (3) Information submitted by the student to the institution on the Washington Financial Aid Form may be used to affirm the authenticity of information submitted on an application.

(4) In all cases, the burden of proof that a student is financially independent lies with the student.

NEW SECTION

WAC 250-18-040 EVIDENCE OF FINANCIAL DEPENDENCY. (1) To aid the institutions in determining whether a student is financially dependent and whether his or her parent, legally appointed guardian, or the person having legal custody of the student has maintained a bone fide domicile in the state of Washington for one year, the following factors are to be considered:

- (a) Legal proof of guardianship or custody which shall be the responsibility of the student;
- (b) Evidence of established domicile of parent, guardian, or custodian which shall be the responsibility of the student;
- (c) The identification of the student as a dependent on the federal income tax return of the parents, legally appointed guardians or person having legal custody, which shall be proof of the student's financial dependency.
- (2) Proof of a student's financial dependency for the calendar year immediately prior to the year in which application is made which shall be the responsibility of the student.
- (3) A student who provides evidence that he or she is a dependent and has a parent or legal guardian who has maintained a one-year domicile in the state of Washington shall not be required to establish a one-year domicile prior to classification of resident status, provided such a student may not be classified as a resident while receiving financial assistance from another state, governmental unit or agency thereof for educational purposes.

Be it resolved by a majority of the Game Commission of the state of Washington, that we, the Game Commission, promulgate and adopt at Tacoma, Washington, as emergency rule of this governing body, the annexed rule relating to fishing season closure on Grizzly, Ryan, Hanaford, Elk, and Tradedollar Lakes in Skamania County, and Fawn and Forest Lakes in Cowlitz County, WAC 232-28-60405.

We, the Game Commission, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest. A statement of facts constituting such emergency is the area described in WAC 232-28-60405 is located in close proximity to Mt. St. Helens and in the past has received considerable damage to the wildlife resources and habitat from the volcanic eruptions of Mt. St. Helens, and that damage has not been fully assessed and the closure should be maintained until harvestable populations of wildlife are determined to exist. Such a closure will not result in an overpopulation or wasteage of this fishery resource.

Such rule is therefore adopted as an emergency rule.

This rule is promulgated under the authority of the Game Commission as authorized in RCW 77.12.150.

The undersigned chairman hereby declares that the Game Commission has complied with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), or the Administrative Procedure Act (chapter 34.04 RCW), as appropriate, and the State Register Act (chapter 34.08 RCW).

This order, after being first recorded in the order register of this governing body, shall be forwarded to the code reviser for filing pursuant to chapter 34.04 RCW and chapter 1-12 WAC.

APPROVED AND ADOPTED July 9, 1982.

WSR 82-15-011 EMERGENCY RULES DEPARTMENT OF GAME (Game Commission)

[Order 172-Filed July 12, 1982]

Be it resolved by a majority of the Game Commission of the state of Washington, that we, the Game Commission, promulgate and adopt at Tacoma, Washington, as emergency rule of this governing body, the annexed rule relating to emergency season extension on Big Twin Lake (Okanogan County), Fish Lake and Schalow Pond (Okanogan County), Burke Lake (Grant County), Lone Lake (Island County), and Bay Lake (Pierce County) beginning July 12, 1982, until October 10, 1982, WAC 232-28-60414.

We, the Game Commission, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest. A statement of facts constituting such emergency is because of poor survival rates, none of the waters listed above have been

stocked with trout fry in 1982. Consequently, early season closures to prevent premature harvest of planted trout are not necessary. Therefore, to allow maximum sport harvest and recreational opportunity, the above listed waters will have an emergency season extension beginning July 12, 1982, until October 10, 1982.

Such rule is therefore adopted as an emergency rule. This rule is promulgated under the authority of the Game Commission as authorized in RCW 77.12.150.

The undersigned chairman hereby declares that the Game Commission has complied with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), or the Administrative Procedure Act (chapter 34.04 RCW), as appropriate, and the State Register Act (chapter 34.08 RCW).

This order, after being first recorded in the order register of this governing body, shall be forwarded to the code reviser for filing pursuant to chapter 34.04 RCW and chapter 1-12 WAC.

APPROVED AND ADOPTED July 9, 1982.

Notwithstanding the provisions of WAC 232-28-604, Big Twin Lake (Okanogan County), Fish Lake and Schalow Pond (Okanogan County), Burke Lake (Grant County), Lone Lake (Island County), and Bay Lake (Pierce County) shall have an emergency extension on the fishing season beginning July 12, 1982 until October 10, 1982.

WSR 82-15-012 EMERGENCY RULES DEPARTMENT OF GAME

(Game Commission)
[Order 173—Filed July 12, 1982]

Be it resolved by the Game Commission of the state of Washington, that we, the Game Commission, promulgate and adopt at Tacoma, Washington, as emergency rule of this governing body, the annexed rules relating to Mt. St. Helens' area hunting, fishing, and trapping closure, WAC 232-28-60413.

We, the Game Commission, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest. A statement of facts constituting such emergency is the area described in WAC 232-28-60413 is located in close proximity to Mt. St. Helens and in the past has received considerable

damage to the wildlife resources and habitat from the volcanic eruptions of Mt. St. Helens and that damage has not been fully assessed and the closure should be maintained until harvestable populations of wildlife are determined to exist. Because of the above, it is necessary to close this area to hunting, fishing, and trapping. Such a closure will not result in an overescapement of surplus of game animals, game fish, game birds, or furbearing animals. Such rule is therefore adopted as an emergency rule to take effective upon filing with the code reviser.

This rule is promulgated under the authority of the Game Commission as authorized in RCW 77.12.150.

The undersigned chairman hereby declares that the Game Commission has complied with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), or the Administrative Procedure Act (chapter 34.04 RCW), as appropriate, and the State Register (chapter 34.08 RCW).

This order, after being first recorded in the order register of this governing body, shall be forwarded to the code reviser for filing pursuant to chapter 34.04 RCW and chapter 1-12 WAC.

APPROVED AND ADOPTED July 9, 1982.

WSR 82-15-039 EMERGENCY RULES BOARD OF HEALTH

[Order 242—Filed July 15, 1982]

Be it resolved by the Washington State Board of Health, acting at Yakima, Washington, that it does promulgate and adopt the annexed rules relating to:

Amd WAC 248-19-330 Regular review process.

Amd WAC 248-19-340 Expedited review process.

Amd WAC 248-19-350 Emergency review process.

Amd WAC 248-19-480 Right and notice of appeal.

We, the Washington State Board of Health, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to public interest. A statement of the facts constituting such emergency is failure to amend WAC 248-19-330, 248-19-340 and 248-19-350, so as to permit the department to extend its review for pivotal issues without the consent of the applicant, places the department in an untenable position. Recent experience with appeal proceedings makes it essential that the authority of the secretary and the hearings officer be clearly delineated in WAC 248-19-480.

Such rules are therefore adopted as emergency rules to take effect upon filing with the code reviser.

This rule is promulgated pursuant to chapter 70.38 RCW and is intended to administratively implement that statute.

This rule is promulgated under the general rule-making authority of the Washington State Board of Health as authorized in RCW 43.20.050.

The undersigned hereby declares that he has complied with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), the Administrative Procedure Act (chapter 34.04 RCW) or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW), as appropriate, and the State Register Act (chapter 34.08 RCW).

APPROVED AND ADOPTED July 14, 1982.

WSR 82-15-046 EMERGENCY RULES DEPARTMENT OF PERSONNEL (Personnel Board)

[Order 173—Filed July 16, 1982]

Be it resolved by the State Personnel Board, acting at Department of Personnel, 600 South Franklin, Olympia, WA 98504, that it does promulgate and adopt the annexed rules relating to:

Amd WAC 356-18-060 Paid sick leave—Use.

Amd WAC 356-18-100 Accrued vacation leave disposition—

Computation—How made.

New WAC 356-30-007 Appointment—Authority—Delegation of.

New WAC 356-30-011 Appointing authority—Delegation of.

Amd WAC 356-30-330 Reduction—in-force—Rules, regulations—Procedure.

We, the State Personnel Board, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to public interest. A statement of the facts constituting such emergency is the revisions to WAC 356-18-100 were made to comply with SSB 5007 and the court order of Judge Doran of the Thurston County Superior Court during the pendency of the state's appeal to the Supreme Court. The additions to WAC 356-18-060 and 356-30-330 have become necessary to correct two probable administrative problems which would arise between now and October, 1982; the changes are made necessary by SSB 5007. The additions of WAC 356-30-007 and 356-30-011 were made necessary by new provisions in RCW 41.06.150(20) and to avoid problems within the next three months similar to the one heard by the Washington State Personnel Appeals Board (Case No. 80S-26).

Such rules are therefore adopted as emergency rules to take effect upon filing with the code reviser.

This rule is promulgated pursuant to RCW 41.06.150(17) and is intended to administratively implement that statute.

The undersigned hereby declares that he has complied with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), the Administrative Procedure Act (chapter 34.04 RCW) or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW), as appropriate, and the State Register Act (chapter 34.08 RCW).

APPROVED AND ADOPTED July 14, 1982.

AMENDATORY SECTION (Amending Order 161, filed 10/5/81)

WAC 356-30-330 REDUCTION-IN-FORCE—RULES, REGULATIONS—PROCEDURE. (1) Employees may be separated in accordance with the statutes and the agencies' approved reduction-in-force procedures after fifteen calendar days' notice in writing, without prejudice, because of lack of funds or curtailment of work, or good faith reorganization for efficiency purposes.

Incumbents of positions reclaimed by previously exempted employees will have the rights and options of the approved procedures developed as prescribed below when the positions are being reclaimed in accordance with RCW 41.06.070(22), RCW 41.06.100, and WAC 356-30-045.

- (2) The agencies shall develop a reduction-in-force procedure which shall include:
- (a) The definition of "seniority" as defined in WAC 356-06-010.
- (b) Clearly defined layoff limits, either geographically or by administrative units or both, so as to limit the disruption of an agency's total operation, but not so small as to unduly restrict the options available to employees with greater seniority.
- (c) "Bumping" by employees with greater seniority will be limited to the same layoff unit.
- (i) Classifications in which the "bumping" employee previously held permanent status.
- (ii) Position at the current salary range of the employee doing the bumping, or lower.
 - (iii) Employees with the least seniority.
- (iv) Competition at one progressively lower classification at a time.
- (d) Offers of options in lieu of separation by reduction—in—force by an agency only when such options are in accordance with the agency's procedure which has been approved by the Director of Personnel.
- (e) The rights for employees who have been scheduled for reduction—in—force to take a transfer or a voluntary demotion to a vacancy that is to be filled in their own layoff unit for which they qualify, as determined by the Director of Personnel. This right to be exercised according to the seniority of those desiring the same vacancy.
- (f) Rights and obligations for employees to accept or reject options offered in lieu of separation due to reduction—in–force.
- (g) The right to actually "bump" only after the employee to be "bumped" has received fifteen calendar days' notice of the scheduled action.
- (h) The statement that, "No permanent employee shall lose a position through reduction-in-force without being offered those positions within the layoff unit for which he/she qualifies, currently being held by emergency, temporary, provisional, or probationary employees, but only within fifteen calendar days prior to what would be the permanent employee's effective separation."
- (i) That ties in seniority will be broken by first measuring the employees' last continuous time within their current classification; if the tie still exists, by measuring the employees' last continuous time in their current agency; if the tie still exists by measuring the employees' total accumulative service within the State; and if the tie still exists by lot.
- (j) The salary of an employee who has accepted a lower position will be reduced to the top of the range of the lower class unless the previous salary is within the range of the new class, in which case it will remain unchanged.
- (3) The agency shall file the procedure with the Director of Personnel for approval.

- (4) Vacancies will not be filled either by local list procedures or on a provisional, temporary, or seasonal basis without contacting the Department of Personnel in an effort to fill the positions by qualified employees who have been or are scheduled for separation due to reduction—in—force.
- (5) When a majority of the positions in a reduction-in-force unit is to be eliminated because of a lack of funds and/or work, permanent employees in such positions shall be offered, according to their seniority, those positions in classes in which they have held permanent status which are currently being held by emergency, temporary, provisional, or probationary employees, provided they have not rejected offers of vacant positions made by certifications from the registers.
- (a) Positions in the employee's own agency and within a reasonable commuting distance shall be offered first; second, in the classified service within a reasonable commuting distance; third, anywhere within the employee's own agency; and fourth, throughout the classified service.
- (b) A permanent employee's right to fill a position may be exercised only within fifteen calendar days prior to the effective date of separation.
- (c) Offers will be made in accordance with a procedure established by the Director of Personnel.
- (6) In order to exercise an option to a position for which selective criteria were approved when the position was established, reallocated or last filled, and when such specialized qualifications as determined by the Director of Personnel or designee to be still essential for successful job performance, an employee must possess the specialized qualifications established for the position.
- (7) When making comparison of seniority for the purposes of offering options and/or separating employees due to reduction—in—force, appointing authorities will adjust seniority so vacation leave that must be taken after a common effective reduction—in—force date is not counted. Such adjustment will have the effect of placing employees on a like basis so variation in length of accumulated vacation leave that would be due employees will not influence the common ending date for measuring seniority.

WSR 82-15-050 EXECUTIVE ORDER OFFICE OF THE GOVERNOR

[EO 82-14]

RESCINDING EO 82-13 AND ORDERING REDUCTIONS OF ALLOTMENTS

On June 11, 1982, I issued Executive Order 82-13, which, as required by law, ordered a 4.1 percent reduction in state General Fund allotments for the remainder of this biennium in order to maintain a balanced budget. In its recent session the legislature passed measures which obviate the need for the 4.1 percent reduction. However, Senate Bill 5033, which I have signed today, directs me to order reductions in allotments of appropriations in the amount of \$20,000,000.

NOW, THEREFORE, I, John Spellman, Governor of the state of Washington, by virtue of the power vested in me, do hereby rescind Executive Order 82-13. Further, pursuant to Section 3 of SB 5033, I hereby order reductions of \$20,000,000 in allotments of state general fund appropriations for all executive branch agencies, including those headed by elective officials, but excluding the Superintendent of Public Instruction's allotments for support of state-wide programs and excluding the legislative and judicial branches of government. By letters and memoranda accompanying this order, I have issued more detailed directives as to how those reductions and other measures will be implemented. Further instructions will be forthcoming from the Office of Financial Management.

> IN WITNESS WHERE-OF, I have hereunto set my hand and caused the seal of the state of Washington to be affixed at Olympia this 16th day of July, A.D., Nineteen Hundred and Eighty-two.

STATEMENT OF PURPOSES

This statement is filed pursuant to RCW 34.04.045. Re: Amending chapter 388-73 WAC.

The Purpose of the Rule or Rule Change: To review and update child care licensing requirements.

The Reason These Rules are Necessary: To comply with RCW 74.15.030.

Statutory Authority: RCW 74.15.030.

Summary of the Rule or Rule Change: WAC 388-73-014 Persons and Organizations Subject to Licensing, would make a family day care home a subcategory of a day care center rather than a family home. This change is the result of legislative changes to RCW 74.15.020. Category Impacted: Family Day Care Homes; WAC 388-73-020(2) Certification of Juvenile Detention Facility and Exempt Agency, would eliminate a statement regarding payment which is not a licensing requirement. Category Impacted: All categories; WAC 388-73-042 Religious Activities, would require that a written description of the agency's religious policies and practices be submitted to the department and the child's parents. Category Impacted: All categories; WAC 388-73-050 Abuse, Neglect, Exploitation, would define sexual abuse and separate it from sexual exploitation. The revision would make the administrative code consistent with the revised statute. Category Impacted: All categories; WAC 388-73-058 Earnings, Allowances, Personal Belongings, would exempt foster homes from having to furnish an allowance and would allow the giving of an allowance to be contingent on completion of normal household tasks. Would permit foster parents to treat a foster child in a manner consistent with their treatment of their own children. Category Impacted: All full-time care facilities except CRCs, and juvenile detention; WAC 388-73-060 Work Assignments, the revision would permit performance of work other than normal household tasks if adequate monetary compensation is provided. Categories Impacted: All full-time facilities; WAC 388-73-062 Transportation, would allow facilities to use school buses for off-ground trips. Current licensing requirements require seatbelts in all vehicles. State and federal transportation standards do not require belts in some buses. Category Impacted: All categories; WAC 388-73-068 Personnel Policies, this revision would relieve the facility operator from including such changeable factors as rate of payment, hours of work, and fringe benefits in their written personnel policy. It would require that a grievance procedure be included in the policy. Category Impacted: All agencies employing five or more persons; WAC 388-73-070 Training, would require that agencies providing in-service training keep a record of such training. Category Impacted: All agencies employing five or more persons; WAC 388-73-076(1)(a) Social Study-Treatment Plans, defines "school records" to distinguish between facilities which have a school on the grounds and those that use other arrangements. Category Impacted: Full-time residential facilities and day treatment; WAC 388-73-102 Safety and Maintenance, the revision would add the requirement that staff members should have rapid access to any rooms occupied by children in case of emergency. Category Impacted: All categories of care; WAC 388-73-103 Water Safety, would introduce a new section addressing health and safety considerations for facilities which have swimming pools, hot tubs, etc. Category Impacted: All categories of care except where foster homes are specifically excluded; WAC 388-73-108 Bedrooms, paragraph (3), would permit the use of an 80 square foot room in the care of a parent and infant. Category Impacted: Maternity Homes, Foster Homes; paragraph (7) would permit the use of only rooms with direct access to a common area for the care of children, adults, or expectant mothers in need of care. Category Impacted: All full-time care; WAC 388-73-118(9) Toilets, Lavatories and Bathing Facilities, would allow other types of hand drying devices other than towels. Category Impacted: All categories; WAC 388-73-132 Health Care Plan, revisions to paragraphs (1) and (2) would remove some redundancy and make this section applicable only to agencies caring for more than thirteen children. Category Impacted: All agencies providing direct care; WAC 388-73-134 First Aid, this addition to paragraph (1) would require that the licensee keep current in respect to cardio-pulmonary resuscitation training. This revision to paragraph (2) would require first aid supplies consistent with procedures and permit the use of syrup of ipecac only on medical advice. Category Impacted: All agencies providing care; WAC 388-73-136 Medication Controlled by Licensee, Revisions to this section would eliminate the need to put a child's name on non-prescription medication; eliminate the need to get a physician's approval each time on "as needed" or prescription medication is disbursed; and would permit group care facility staff and day care centers to disburse non-prescription medication with a physician approved medical plan and, for day care centers, a parent's approval. Category Impacted: All categories of care; WAC 388-73-140 Health History, Physical Examinations, Immunizations, in paragraph (1) the insertion of the phrase "if possible" would cover situations in which a child's parent might not be available to provide medical information at the time of placement. Category Impacted: All categories of care except CRCs and juvenile detention; WAC 388-73-142 Tuberculosis, Communicable Disease, a section would be added to require maintaining

a copy of the tuberculosis test report in an employee's file and would require that only employees with a reportable disease not be on duty. Category Impacted: All categories of care; WAC 388-73-144 Nutrition, revisions to this section would strengthen the wording, require staff to eat with the children when possible, require a schedule of meal times, require that menus include a listing of snacks served. They would require that cycle menus shall not be repeated in less than two weeks, require that children in care for five to nine hours shall receive at least one-third of their recommended dietary allowance, and also require that those in care more than nine hours shall receive an extra snack. Category Impacted: All facilities serving food except where specific exemptions are made; WAC 388-73-146 Infant Care, the title of this requirement would be changed to "Care of Younger Child" which would be more consistent with the subject matter. Category Impacted: Day Care Centers and Mini-Centers; WAC 388-73-210 Foster Care Licensees, this revision would permit voluntary child placing agencies to use their own formats for foster home studies. Category Impacted: Child Placing Agencies; WAC 388-73-304 Capacity, a new paragraph would be added to permit a foster home to exceed its licensed capacity to provide respite for another licensed foster home. Category Impacted: Foster Family Care. WAC 388-73-310 Fire Safety, paragraph (10) would be revised to better define the type of fire extinguisher required in a licensed family home and day care homes. Category Impacted: Foster Family Care. WAC 388-73-504 Personnel, would require a day treatment program to have a psychologist on staff to provide such services only if psychological testing is not provided by the accredited school in which the child is enrolled. Category Impacted: Day Treatment Programs; WAC 388-73-604 Daily Activity Program, the requirement for a written description of the agency's religious practices is transferred to WAC 388-73-042 Religious Activities. Category Impacted: Group Care Facilities; and WAC 388-73-708 Required Personnel, would change the language slightly (it appears redundant to mention "consultants" and "specialists") and would eliminate the need for a written agreement with each consultant. Category Impacted: Maternity Services.

Person or Persons Responsible for the Drafting, Implementation and Enforcement of the Rule: Barry Fibel, Licensing Program Manager, Bureau of Children's Services, Mailstop: OB-41D, Phone: 3-0204.

These rules are not necessary as a result of federal law, federal court decision or state court decision.

Small Business Economic Impact Statement: The revision of WAC 388-73-144 may result in a small increase in the cost of food since it now requires that all children in care more than nine hours, rather than the previous ten, shall be offered a snack. The difference will not represent a greater number of children and since a large percentage of day care centers are involved in the USDA Child Care Food Program, the cost will not be great. The revision to WAC 388-73-060 requires that children in a residential facility be paid for work which would exceed normal household chores. Revisions to WAC 388-73-042, 388-73-068, 388-73-070 and 388-

73-140, make minor changes to record keeping requirements. As far as the staff time required is concerned, the total effect should be close to neutral.

Reviser's note: The material contained in this filing will appear in the 82-16 issue of the Register, as it was received after the applicable closing date for this issue for agency typed material exceeding the volume limitations of WAC 1-12-035 or 1-13-035, as appropriate.

A grant recipient enrolled less than full-time may not receive this grant for the term in question, but is eligible for reinstatement or reapplication for a grant upon return to full-time status. If, on the written recommendation of a counselor or a professor, and in accordance with agreement by the financial aid officer, the student

- ((e) Be a citizen of the United States or in the process of becoming a citizen.))
- ((ff) (e) Not have received a State Need Grant for more than eight semesters or twelve quarters or equivalent or a combination of these two. Upon receipt of a bachelor's degree, a student is no longer eligible. - ((g)) (f) Have made a bona fide application for a ((Basic Educational Opportunity)) Pell Grant. ((but students attending Clover Park, L. H. Bates, and Bellingham Vocational-Technical Institutes shall be exempt from this requirement until July 1, 1981.))

- (2) An otherwise eligible student may not be awarded a State Need Grant if receipt of the Need Grant will result in a reduction of basic maintenance allowances provided by another state agency.

Reviser's note: RCW 34.04.058 requires the use of underlining and deletion marks to indicate amendments to existing rules. The rule published above varies from its predecessor in certain respects not indicated by the use of these markings.

WAC 222-20-010 APPLICATIONS AND NOTIFICA-TIONS—POLICY. (1) No Class II, III or IV forest practices shall be commenced or continued unless the department has received a notification for Class II forest practices, or approved an application for Class III or IV forest practices pursuant to the act. Where the time limit for the department to act on the application has expired, and none of the conditions in WAC 222-20-020(1) exist, the operation may commence.

(2) At the option of the applicant, applications or notifications may be submitted to cover a single forest practice or any number of forest practices within reasonable geographic or political boundaries as specified by the department. Long range plans may be submitted to the department for review and consultation.

(3) The department shall prescribe the form and contents of the notification and application, which shall specify what information is needed for a notification, and the information required for the depart-

ment to approve or disapprove the application.

- (4) Applications and notifications for operations not converting to another use shall be signed by the landowner, the timber owner and the operator((;)), or the operator and accompanied by a consent form signed by the timber owner and the landowner. A consent form may be another document if it is signed by the landowner(s) and it contains a statement acknowledging that he is familiar with the forest practices act, including the provisions dealing with conversion to another use (RCW 76.09.060(3)). Where the application is not signed by the landowner, the department shall, provided all the other requirements contained in chapter 222-20 WAC are met, approve the application without the signature of the landowner if:

- (6) Transfer of the approved application or notification to a new landowner, timber owner or operator requires written notice by the original landowner or applicant to the department and should include the original application or notification number. In the case of a transfer of an application previously approved without the landowner's signature the new timber owner or operator must submit a bond securing compliance with the requirements of the forest practices regulations as determined necessary by the department. If an application or notification indicates that the landowner or timber owner is also the operator, or an operator signed the application, no notice need be given regarding any change in subcontractors or similar independent contractors working under the supervision of the operator of record.

NEW SECTION

WAC 250-18-030 ESTABLISHMENT OF A DOMICILE. The domicile of any person shall be determined according to the individual's situation and circumstances rather than by marital status or sex. The establishment of a domicile is not determined on the basis of a single factor; nor is a predetermined number of factors required. Institutions shall require evidence of a Washington domicile that would reasonably negate the existence of a domicile in a state other than Washington.

A nonresident student who is enrolled for more than six hours per semester or quarter shall be presumed to be in the state of Washington for primarily educational purposes. Such period of enrollment shall not be counted toward the establishment of a bona fide domicile of one year in this state unless such student proves that he or she has, in fact, established a bona fide domicile in this state primarily for purposes other than educational.

To aid the institutions in determining whether a student, parent, legally appointed guardian, or the person having legal custody of a student has established a bona fide domicile in the state of Washington primarily for purposes other than educational, the following factors are to be considered:

- (1) Registration or payment of taxes or fees on a motor vehicle, mobile home, travel trailer, boat, or any other item of personal property owned or used by the person for which state registration or the payment of a state tax or fee is required, for the one year immediately prior to commencement of the semester or quarter for which application is made:
- (2) Valid Washington driver's license for the one year immediately prior to the commencement of the quarter or semester for which application is made;
- (3) Permanent full-time employment in the state of Washington during the one year immediately prior to commencement of the semester or quarter for which application is made;
- (4) Address and other pertinent facts listed on a true and correct copy of federal and state income tax returns for the calendar year prior to the year in which application is made;
- (5) Location of voter registration for the one-year period immediately prior to commencement of the semester or quarter for which application is made;
 - (6) Address of student listed on selective service registration;
- (7) Purchase of primary residence, lease agreement, or monthly rental receipts for one year immediately prior to commencement of the semester or quarter for which application is made;
- (8) Residence status of the student in schools attended outside the state of Washington;
- (9) Location of membership in professional, business, civic or other organizations;
- (10) Location of checking account, savings account, and/or safety deposit box for one year immediately prior to commencement of the semester or quarter for which application is made.

NEW SECTION

WAC 250-18-035 EVIDENCE OF FINANCIAL INDEPENDENCE. A person is financially independent if he or she has not been and will not be claimed as an exemption and has not received and will not receive financial assistance in cash or in kind of an amount equal to or greater than that which would qualify him or her to be claimed as an exemption for federal income tax purposes by any person except his or her spouse for the current calendar year and for the calendar year immediately prior to the year in which application is made.

- (1) To substantiate a reasonable presumption that a person is financially independent, the institution may require such documentation as deemed necessary, including but not limited to the following:
 - (a) That individual's sworn statement.

St. Helens' Area Hunting, Fishing, and Trapping Closure; WAC 232-28-605 1983 Game Fish Seasons and Catch Limits; and WAC 232-28-405 1982-83 Upland Game Bird and Migratory Waterfowl Seasons. Amendatory Sections WAC 232-12-007 Classification of Wild Animals; WAC 232-12-011 Wildlife Classified as Protected Wildlife; WAC 232-12-014 Wildlife Classified as Endangered Species; WAC 232-12-027 Game Farm License Provisions; and WAC 232-12-047 Unlawful Firearms for Hunting. Repealing WAC 232-28-604 1982 Game Fish Seasons and Catch Limits; WAC 232-28-404 1981-82 Upland Game Bird and Migratory Waterfowl Seasons; and WAC 232-28-60406 Mt. St. Helens' Area Hunting, Fishing, and Trapping Closure.

Statutory Authority: RCW 77.12.040.

Summary: WAC 232-28-60415, because of poor survival rates, none of the waters listed above have been stocked with trout fry in 1982. Consequently, early season closures to prevent premature harvest of planted trout are not necessary. Therefore, to allow maximum sport harvest and recreational opportunity, the above listed waters are proposed for fishing season extensions. The area described in WAC 232-28-60416 is located in close proximity to Mt. St. Helens and in the past has received considerable damage to the wildlife resources and habitat from volcanic eruptions of Mt. St. Helens. and that damage has not been fully assessed. The closure should be maintained until harvestable populations of wildlife are determined to exist. WAC 232-28-60416 supersedes WAC 232-28-60406. WAC 232-28-405 and 232-28-605 will allow for the establishment of seasons and bag limits on upland game birds and migratory waterfowl and game fish, respectively. These rules will supersede WAC 232-28-604 and 232-28-404. The major change proposed for the 1983 game fish regulations is the complete revision of the regulation pamphlet. Revision of the pamphlet format is designed to make the regulations easier to understand and to accommodate individual water management. The amendatory sections regarding wildlife classification are proposed to add Mountain caribou, Rangifer tarandus and Peregrine falcon, Falco peregrinus to the endangered species list. Extending endangered status classification to all subspecies of peregrine found in Washington would ensure that all those nesting in Washington regardless of subspecies are protected to the fullest and would allow for the recovery of the peregrine, both in this state and in the Pacific Coast regions. WAC 232-12-007 is proposed for amendment to allow for the exceptions of legally acquired, captive-bred mink and silver fox in the game and furbearing animal classifications. WAC 232-12-027 is proposed for amendment to add that a game farm license is not required for captive-bred mink and silver fox lawfully acquired from a licensed breeder or fur farm and held for fur farming purposes. Amendment of WAC 232-12-047 is proposed for clarification and to all the handguns noted in (1)(b)(i) a 6" barrel length minimum.

Reasons in Support of Rules: To properly manage the wildlife resources and to provide recreational opportunity.

STATEMENT OF PURPOSE

This statement of purpose, prepared in compliance with RCW 34.04.045 accompanies proposed rules to be promulgated by the Department of Revenue.

Title: Reconvening upon timely filed petition WAC 458-14-045; change of venue WAC 458-14-052;

change of assessment rolls WAC 458-14-092; membership WAC 458-14-050; public notice of July meetings WAC 458-14-070; meetings WAC 458-14-075; organization of the board WAC 458-14-080; additional record requirements WAC 458-14-086; assessment roll and records WAC 458-14-090; certification of the valuation of the assessment roll by assessor WAC 458-14-091; duties of the board WAC 458-14-100; notice of raise in valuation by the board WAC 458-14-110; petitions WAC 458-14-120; appeal of board members, assistants, or county governmental authorities WAC 458-14-122; hearing on petition WAC 458-14-125; appeals WAC 458-14-135; and composition of board WAC 458-14-051.

Purpose: To establish the procedure for appeals to the county board of equalization.

Statutory Authority: RCW 84.08.010, 84.08.070 and 84.41.090 all provide for the department of revenue to adopt rules to ensure the uniform assessment of property, to carry the duties imposed on it by chapter 84.08 RCW and to provide for the general guidance in the valuation of property.

Summary and Reasons for the Rule: Chapter 46, Laws of 1982 1st ex. sess. changed the assessment date for new construction from April 30th to July 31st. These rules are necessary to provide a means for an owner of new construction to appeal the assessment to the county board of equalization. Under current regulations an owner could be precluded from making such an appeal. These amendments also update the rules for form number changes, as well as statutory changes since the last rule amendments. They also provide for a means of alleviating any conflict of interest problems.

Drafter of the Rule, Rule Implementation and Enforcement: Trevor W. Thompson, Evergreen Plaza Building, Room 301, 711 South Capitol Way, Olympia, Washington 98501, (206) 753-5503.

Proposer of the Rule: Department of Revenue, Olympia, Washington 98504.

Comments and Recommendations: None.

Federal Law or Court Action Citation: No federal laws involved or action required by the courts.

 - (vi) To release security;
- (c) A lease of real property that does not contain an option to purchase;
- (d) A mortgage or deed of trust or satisfaction thereof:
- (e) Conveyance of an easement in which no consideration passes or an easement to the United States, the state of Washington, or any political subdivision or municipal corporation of this state;
- (f) A recording of a contract that changes only the contract terms and not the legal description, purchaser, or sales price, if the affidavit number of the previous transaction is reported.
- (3) County treasurers shall not accept incomplete affidavits.
- (a) Among other requirements set forth in WAC 458-61-030(1), all affidavits which state claims for tax exemption must show:
- (i) Current assessed values of parcels involved as of transaction date; and
- (ii) Complete reasons for exemptions (in all cases where the exemption is based upon a prior payment of the tax, the prior payment date, amount and affidavit number must be provided on the current affidavit: See WAC 458-61-400).
- (b) A quitclaim deed is a conveyance instrument. It is not, in itself, a reason for tax exemption. A valid reason for the exemption must be shown on the affidavit.
- (c) Statements such as "To Clear Title Only" are not complete reasons for tax exemption. In this instance it must be stated that the grantee had prior title or an encumbrance upon such title and the prior affidavit number, county auditor's document number and the prior transaction date must be shown.
- (d) When the transfer of property is to two or more grantees, the affidavit must clearly state the relationship between them such as joint tenants, tenants in common, partners, etc., and the form and proportion of interest that they are each acquiring.
- (e) In the case of a mobile home that is sold with the land upon which it is located, a separate mobile home affidavit is not required if the primary affidavit lists the make, model, year, size and serial number of the unit.

Such information should be contained as a separate item within the legal description portion of the affidavit.

NEW SECTION

WAC 458-61-090 TIMING OF PAYMENT—LATE PAYMENT PENALTY. (1) The tax imposed under RCW 82.45.070 is due and payable to the county treasurer as of the transaction date.

- (2) If the tax is paid within thirty days of the transaction date, the late payment penalty is not applied. If the tax is paid more than thirty days after the transaction date, a one percent penalty is applied to the amount of unpaid tax for each thirty—day period, or part thereof, beginning with the transaction date to date of final and complete payment.
- (3) The tax is due as of the transaction date whether or not the contract or conveyance documents are recorded at that time. If the tax is not paid within thirty days of the transaction date, the late payment penalty in subsection (2) of this section, is applicable for the period which the tax remains unpaid.

NEW SECTION

WAC 458-61-100 REFUNDS OF TAX PAID. (1) Taxpayers seeking to contest the application of the real estate excise tax upon a particular transfer of real property must pay the tax prior to petition for refund.

- (2) Taxpayers shall obtain copies of the "Petition for Real Estate Excise Tax Refund" form from the county treasurers' offices, as provided by the department. After completing the form, the taxpayer shall submit the form and all documentation supporting the claim for refund to the county treasurer's office in the county where the tax was originally paid.
- (3) If the taxpayer submits the petition for refund before the county treasurer has sent to the department the copy of the affidavit which receipted the tax payment now in question, the county treasurer is authorized to void the receipted affidavit copies, based upon the criteria listed in subsection (5) of this section, and issue the refund. If the county treasurer authorizes and issues such refund, the voided copy of the affidavit, with a copy of the refund petition attached, must be included in the monthly affidavit batch sent to the department. If the county treasurer does not authorize such refund, the treasurer shall send the petition for refund, along with a copy of the affidavit and all supporting records, to the department. The procedure for petitions sent to the department shall follow subsection (4) of this section.
- (4) If the taxpayer submits the petition for refund after the county treasurer has sent to the department the copy of the affidavit which receipted the payment now in question, the county treasurer shall verify the information on the petition and forward it to the department with a copy of the affidavit and any other supporting records furnished by the taxpayer. The department shall approve or deny the refund within twenty working days after receipt of the petition. If approved, the refund shall

be paid to the taxpayer (along with appropriate interest) within ten working days after the taxpayer has complied with provisions of subsection (7) of this section. If denied, the petition for refund shall be returned to the petitioner with the reason for denial. The taxpayer may then appeal the imposition of the tax under the appeal procedures. See WAC 458-61-110: Tax appeals. The department will return to the petitioner all supporting documents which are submitted with the petition for refund.

- (5) The authority of the county treasurers to issue tax refunds under subsection (2) of this section is limited to the following reasons:
 - (a) Double payment of the tax;
 - (b) Overpayment of tax through error of computation;
- (c) Failure of a taxpayer to claim tax exemption for a transfer which was properly exempt;
 - (d) Rescission of sale prior to closing; or
 - (e) Nonpayment of valuable consideration by grantee.
- (6) Only the taxpayer or authorized agent may petition for a refund of tax.
- (7) Refunds approved by the county treasurer or by the department the refund shall be paid to the petitioner:
- (a) After the real estate excise tax receipt stamp has been voided on the conveyance instrument provided that this conveyance instrument has not been recorded; or
- (b) In the case where the conveyance instrument was recorded, after a second conveyance instrument has been recorded to reverse the effect of the original conveyance instrument.

In either of the above procedures (a) or (b), the county treasurer or department shall advise the petitioner of the approval of the refund and the necessity to provide the unrecorded conveyance instrument or a reversing conveyance instrument. At this time the taxpayer is also required to provide the receipted affidavit copy to be voided in like manner. The county treasurer shall note the issuance of the refund on the affidavit copy maintained in county files and shall notify the county assessors office of the refund.

NEW SECTION

WAC 458-61-110 TAX APPEALS. (1) Any person having been issued a notice of taxes, interest, or penalties due, may petition the department of revenue in writing for a correction of the amount of the assessment and a conference for review of the assessment. Petitions for correction of assessment are authorized by RCW 82.32.160.

- (2) Any person having paid any tax, interest, or penalties, may apply to the department within the time limitation for refund provided in RCW 82.45.100, by petition in writing for a refund of the amount paid and a conference for review of the amount paid. Petitions for refund are authorized by RCW 82.32.170.
- (3) The appeal procedures set forth in WAC 458-20-100 (2) through (17), shall apply to all petitions for correction of assessment and petitions for refund under the real estate excise tax.

NEW SECTION

WAC 458-61-120 FRAUD PENALTY. (1) A penalty of fifty percent of the proper tax due, or remaining due after insufficient payment, is to be applied by the department to taxable real estate transfers involving wilful fraud with intent to evade the tax.

(2) Wilful fraud with intent to evade the tax is illustrated by, but not limited to, the following examples:

(a) Knowingly stating a false sales price;

(b) Knowingly stating a sale as a gift;

(c) Knowingly claiming a false reason for tax exemption.

NEW SECTION

WAC 458-61-130 DEPARTMENT AUDIT RE-SPONSIBILITY. (RCW 82.45.150) (1) The department shall conduct audits of transactions and real estate excise tax affidavits and shall determine tax payment deficiency where such exists. The department shall notify taxpayers and appropriate county treasurers of tax payment deficiencies. Such notices shall inform taxpayers as to the tax payment required from them and set forth reasons why such deficient tax amount has been assessed against them by the department.

(2) If the taxpayer receiving such notice of tax payment deficiency has not answered the same within thirty days after its being mailed by the department, the department shall enforce the collection of such deficient tax through administrative provisions set forth in chapter 82.32 RCW.

(3) In its audits of the taxability of real estate transactions, the department will generally rely upon, but not be limited to, information:

(a) The real estate excise tax affidavits, including the entire affidavit file at the county treasurer's office;

(b) Documents recorded by the county auditor;

(c) The assessment rolls and in the field books in the county assessor's office; and

(d) Records supplied by the taxpayer.

NEW SECTION

WAC 458-61-140 COMPLIANCE. The department's compliance procedure shall follow the provisions of chapter 82.32 RCW.

TAXABILITY OF TRANSFERS

NEW SECTION

WAC 458-61-200 APARTMENTS. The sale of an individual apartment by the owner of an apartment building which entitles the purchaser to a warranty deed upon completion of payments is a "sale" within the meaning of RCW 82.45.010; therefore, the sale is subject to the real estate excise tax.

NEW SECTION

WAC 458-61-210 ASSIGNMENTS—PUR-CHASERS. (1) The real estate excise tax does not apply to the cancellation or forfeiture of a vendee's interest in a contract for the sale of real property. Whether or not such contract contains a forfeiture clause. (RCW 82.45.010) (Note: This tax exemption applies only to real estate contracts being transferred to the original vendor or contract holder—not to other parties.)

(2) The real estate excise tax does not apply to the transfer of a deed in lieu of foreclosure of a mortgage, whether transferred to the original mortgage holder or to a third person, provided that no consideration otherwise passes to the grantor of such deed in lieu of foreclosure. (Note: The grantor must furnish a notarized statement signed by both the grantor and grantee that no additional consideration of any kind is being paid by the grantee to the grantor or to any party other than the current mortgage holder or holders.)

(3) The real estate excise tax does not apply to the assumption by a grantee of the balance owing on an obligation which is secured by a mortgage, provided that no consideration otherwise passes. Such assumption may be by third persons as well as the original seller or mortgage holder. (Note: This tax exemption applies only to transfers made for the purpose of avoiding foreclosure of mortgage. The grantor must furnish a notarized statement signed by both the grantor and grantee that no additional consideration of any kind is being paid by the grantee to the grantor or to any other third party other than the current mortgage holder or holders. This tax exemption does not apply to the assumption of debt secured by a real estate contract.)

(4) The real estate excise tax does not apply to the transfer of deed in lieu of forfeiture of the vendee's interest in a contract of sale where no consideration otherwise passes. Such transfer may be to third persons as well as to original seller or contract holder. (Note: The grantor must furnish a notarized statement signed by both the grantor and grantee that no additional consideration of any kind is being paid by the grantee to the grantor or to any party other than the current contract holder or holders.)

(5) The real estate excise tax applies to transfers where the purchaser of real property assigns his/her interest in such property and receives valuable consideration for that interest. The measure of the real estate excise tax is the sum of the consideration paid or contracted to be paid to the grantor of such assignment plus the unpaid principal balance due on the assigned mortgage or real estate contract. (Note: The consideration passing to the assignor of such interest in real property nullifies the exemptions granted in subsections (1) through (4) of this section, because each of these exemptions is granted upon the condition that no valuable consideration passes to the transferrer of the interest of real property.)

NEW SECTION

WAC 458-61-220 ASSIGNMENTS—SELLERS. The real estate excise tax does not apply where the vendor of real property assigns his/her interest to a third party. The current affidavit must show reference to the prior affidavit number and date and indicate the amount of tax paid.

NEW SECTION

WAC 458-61-230 BANKRUPTCY. A conveyance of real property by a trustee in bankruptcy is taxable under the real estate excise tax when made by a trustee conducting the business of the bankrupt unless such transfer is specifically court ordered. However, such a conveyance is not taxable when made by a trustee authorized only to liquidate the bankrupt's estate. Therefore, the real estate excise tax applies to the sale of real property by a trustee under a Chapter 11 reorganization but does not apply to a sale under a Chapter 7 liquidation.

NEW SECTION

WAC 458-61-240 CARE, COMFORT AND SUPPORT. The real estate excise tax applies to the transfer of real property where the consideration received is the care, comfort and support of the grantor. When the value and length of the care are unknown, the county assessor's valuation shall be used as the gross sales price.

NEW SECTION

WAC 458-61-250 CEMETERY LOTS OR GRAVES. The sale of lots or graves in an established cemetery is not subject to the real estate excise tax. An established cemetery is one which meets the requirements for ad valorem property tax exemption under RCW 84.36.020. (RCW 82.32.010)

NEW SECTION

WAC 458-61-270 COMMUNITY PROPERTY—TO ESTABLISH OR SEPARATE. Where no consideration, other than love and affection, passes from one spouse to another in exchange for either establishing or separating community property, the transfer is not subject to the real estate excise tax. The affidavit must state that the purpose of the transfer is to establish or separate community property. (See WAC 458-61-340: Dissolution of marriage.)

NEW SECTION

WAC 458-61-280 CONDEMNATION. The term "sale" shall not include transfers by appropriation or decree in condemnation proceedings brought by the United States, the state of Washington or any political subdivision thereof, or a municipal corporation. (RCW 82.45.010)

NEW SECTION

WAC 458-61-290 CONTRACT. (1) An owner of real property is subject to payment of the real estate excise tax upon the entry of each successive contract for the sale of the same piece of real property, each such contract constituting a "sale" of real property subject to the tax

(2) Where a sale of real estate, as defined by RCW 82.45.010, was consummated by the execution and delivery of a real estate contract and the excise tax which then accrued was paid by the vendor, the tax so paid

cannot be refunded when the contract was later rescinded by voluntary action. However, a tax refund is due if the sale was rescinded by court action. (See also WAC 458-61-100: Refunds.)

NEW SECTION

WAC 458-61-300 CONTRACTOR. (1) If land is deeded to a contractor with an agreement to reconvey the property after construction of an improvement, the real estate excise tax does not apply to either the first conveyance or to the reconveyance. In this case, the deed to the contractor, although absolute on its face, has simply created a security interest because of the requirement to reconvey the property after construction of the improvement. The sales price of the improvement is subject to retail sales tax under chapter 82.08 RCW and business and occupation tax under chapter 82.04 RCW (see excise tax bulletin 275.08.170). Real estate excise tax affidavits are nevertheless required for both the original conveyance and the reconveyance but must contain wording to the effect that the purpose of the transfers is for construction and security purposes only. The affidavit for reconveyance must refer to the date and number of the original affidavit.

- (2) Where the owner of a lot contracts to have an improvement built upon the lot and retains title to the land, the real estate excise tax does not apply to the purchase of the improvement.
- (3) Where a contractor owns a lot and builds an improvement upon it, the subsequent sale of land and improvement is subject to the real estate excise tax.
- (4) The real estate excise tax applies to both conveyances where an owner desiring a new home conveys his existing home to a contractor who first uses that home as collateral to secure a loan under FHA to finance the construction of the new home and then conveys the old home to a third person.

NEW SECTION

WAC 458-61-310 CORPORATION—FAMILY. The real estate excise tax shall not apply to a transfer to a corporation which is wholly owned by the transferor and/or the transferor's spouse or children: PROVIDED, That if thereafter such transferee corporation voluntarily transfers such real property, or such transferor, spouse, or children voluntarily transfer stock in the transferee corporation to other than (1) the transferor and/or the transferor's spouse or children, (2) a trust having the transferor and/or the transferor's spouse or children as the only beneficiaries at the time of the transfer to the trust, or (3) a corporation or partnership wholly owned by the original transferor and/or the transferor's spouse or children, within five years of the original transfer to which this exemption applies, excise taxes shall become due and payable on the original transfer as otherwise provided by law. This rule applies only to natural persons. (RCW 82.45.010)

NEW SECTION

WAC 458-61-320 CORPORATION—NONFAMILY. The real estate excise tax applies to all

real property transfers between a corporation and its stockholders, officers, corporate affiliates, or other parties, except the following transfers which are not taxable:

(1) Corporate mergers, consolidations and acquisitions which are accomplished by stock transfers.

- (2) Corporate dissolution, except in a case where the stockholders assumed or agreed by contract to assume the liabilities of the dissolving corporation. In such event, the real estate excise tax applies to the extent of the liabilities assumed by the stockholder.
- (3) Transfers between a parent corporation and its wholly-owned subsidiary corporation or between two or more subsidiary corporations, each of which is wholly-owned by the same parent corporation.
- (4) Transfer of real property to a newly-formed, beneficiary corporation from an incorporator as defined in RCW 23A.12.010 to the newly-formed corporation: PROVIDED, That (a) the proper real estate excise tax was paid on the original transfer to the incorporator; and (b) that it was documented on or before the original transfer that the incorporator was receiving title to the property on behalf of that corporation during its formation process. This tax exemption does not apply where a real property owner had acquired title in his/her own name and later transferred title to the corporation upon formation.
- (5) Real property transfers qualifying for other tax exemptions under chapter 458-61 WAC.

NEW SECTION

WAC 458-61-330 COURT ORDER—TRANS-FER PURSUANT TO. The real estate excise tax does not apply to any transfer or conveyance made pursuant to an order of sale by the court in any mortgage or lien foreclosure proceeding or upon execution of a judgment. This exemption includes the court ordered sale of a deed of trust by the trustee acting on behalf of the beneficiary to the deed of trust. (Note: Real estate excise tax affidavits which state claims for this tax exemption must cite the court decision number on the affidavit and the conveyance document. A copy of the court decision must be attached to the department's affidavit copy by the county treasurer. See also: WAC 458-61-280, Condemnation and WAC 458-61-650, Tenants in common, partition by.)

NEW SECTION

WAC 458-61-340 DISSOLUTION OF MARRIAGE/DIVORCE. The real estate excise tax does not apply to any transfer, conveyance, or assignment of property or interest in property from one spouse to the other in accordance with the terms of a decree of divorce or in fulfillment of a property settlement agreement incident thereto. (RCW 82.45.010)

NEW SECTION

WAC 458-61-350 EARNEST MONEY RE-CEIPTS. The question of whether an "earnest money receipt" constitutes a contract to sell real property depends upon the nature of each particular writing. The inquiry should be directed to whether both parties to the transaction are effectively bound to the transfer of real property. Where an earnest money agreement constituted a contract to convey an interest in real property, the real estate excise tax would be due as a result of the entry into such agreement, a contract to convey being a taxable "sale" as defined in RCW 82.45.010.

NEW SECTION

WAC 458-61-360 EASEMENT, SALE OF. The real estate excise tax applies to the conveyance of an easement for the use of real property in return for valuable consideration. (RCW 82.45.010) A taxable sale has not occurred if valuable consideration does not pass. An affidavit is required only if consideration passes.

NEW SECTION

WAC 458-61-370 EXCHANGES—TRADES. The real estate excise tax applies when real property is exchanged for other real property or any other valuable property, either tangible or intangible. In the case where real property is exchanged for other real property, the transfer of each property is individually subject to the tax. The gross taxable value of each property is the fair market value of each property – not the equity that each owner has vested in the properties. (RCW 82.45.010 and 82.45.030)

NEW SECTION

WAC 458-61-380 FEDERAL HOUSING AGENCIES. Transfer involving any housing agency of the United States as either grantor or grantee are not subject to the real estate excise tax. (RCW 82.45.010)

NEW SECTION

WAC 458-61-390 FORECLOSURE OF MORT-GAGE, DEED IN LIEU OF. (1) The real estate excise tax does not apply to a transfer of real estate by deed from a mortgagee to the mortgagor in lieu of foreclosure.

(2) The real estate excise tax does apply to the resale of the property by the mortgagee to the mortgagor under a contract of sale.

NEW SECTION

WAC 458-61-400 FULFILLMENT DEED. A deed given the vendee in fulfillment of the terms of mortgage or contract is not subject to the real estate excise tax, provided that the proper tax was paid on the original transaction. The real estate excise tax affidavit is required and must show reference to the prior affidavit which receipted the tax payment. (WAC 458-61-080(1)(f))

NEW SECTION

WAC 458-61-410 GIFTS. Transfers of real property as gifts are not subject to the real estate excise tax. Completion of the real estate excise tax affidavit is required and a notarized statement, signed by both the grantor and grantee, that the transfer is being made as a

gift, either without consideration or with love and affection as consideration must be attached to the affidavit unless the parties are family related or the grantee is a tax exempt organization under chapter 84.36 RCW. In such case the statement attached to the affidavit must show the names of the grantor and grantee and either the family relationship between them or the fact that the grantee is a tax exempt organization under chapter 84.36 RCW. Such statement must be signed by the grantor and notarized. No exemption from the real estate excise tax is allowed without such statement attached to the affidavit.

NEW SECTION

WAC 458-61-420 GOVERNMENT, TRANS-FERS TO OR FROM. The real estate excise tax does not apply to transfers to or from the United States, any agency thereof, the state of Washington, any political subdivision thereof, or municipal corporation of this state. Furthermore, the tax does not apply to transfer to or from any federally chartered credit union. (RCW 82.45.010)

NEW SECTION

WAC 458-61-430 IMPROVEMENTS SOLD ON LEASED LAND. (1) The real estate excise tax applies to the sale of improvements on leased land held in private ownership if the terms of the sales contract do not require that the improvements be removed from the land.

- (2) The real estate excise tax does not apply to the sale of improvements on leased land held in private ownership if the terms of the sales contract require that the improvements be removed from the land. In this case the improvements are considered personal property and their sale is subject to the use tax under chapter 82.12 RCW.
- (3) The real estate excise tax applies to the sale of improvements on leased land held in public ownership. However, if the sale price includes a valuable leasehold estate, the value of the leasehold estate must be deducted from the sales price before application of the tax.

(Note: Completion of the affidavit is required for all of the above transfers. Affidavits for sales under subsection (2) of this section should show the improvement's sales price as "gross sales price" and deduct this same amount under "deduct personal property." The result will be net taxable sales price of zero.)

NEW SECTION

WAC 458-61-440 IMPROVEMENTS SOLD TO BE REMOVED FROM THE LAND. The real estate excise tax does not apply to the sale of improvements separate from the land, whether leased or not, where the removal of the improvements from the land is a condition of the terms of the sale. In this case the improvements are considered personal property and their sale is subject to use tax under chapter 82.12 RCW.

(Note: Completion of the affidavit is required for the sale of improvements separate from the land. The improvement's sales price should be shown as "gross sales

price" and the same amount should be deducted as personal property. The result will be a net taxable sales price of zero.)

NEW SECTION

WAC 458-61-450 INDIAN (AMERICAN), TRANSFERS TO OR FROM. (1) The real estate excise tax does not apply to transfers to or from individual Indians or Indian tribes when the United States government acts as trustee on behalf of that individual Indian or tribe. Because the United States government is acting as grantor or grantee (as trustee) no affidavit is required for such transaction.

- (2) The tax exemption in subsection (1) of this section does not apply to transfers where enrolled Indians, whether as individuals, groups, or tribes, grant or receive real property without the United States government acting as trustee on their behalf and the property is on the reservation.
- (3) The real estate excise tax does not apply to sales of timber made by Indians holding trust allotments where, after the execution of the contracts, the Indians have received fee patents to their lands.

NEW SECTION

WAC 458-61-460 INHERITANCE. Transfers of real property by inheritance are not subject to the real estate excise tax. Completion of the real estate excise tax affidavit is required. (RCW 82.45.010)

NEW SECTION

WAC 458-61-470 IRRIGATION EQUIPMENT. (1) Any part of an irrigation system that is underground is considered real property and is subject to the real estate excise tax.

(2) Any irrigation equipment that is above ground is considered personal property and its sale is not subject to the real estate excise tax, but is subject to the use tax.

NEW SECTION

WAC 458-61-480 IRS "TAX DEFERRED" EX-CHANGE. The real estate excise tax applies to the transfer or exchange of real property whether or not federal income tax or capital gains tax is "deferred" or "exempted" under the Internal Revenue Service codes. However, in such transfers or exchanges, a nominee relationship may exist.

NEW SECTION

WAC 458-61-490 JOINT TENANCY. The real estate excise tax does not apply to the transfer of real property for the creation or dissolution of a joint tenancy where no consideration passes. The tax applies to the sale of interest in real property for the creation or dissolution of a joint tenancy. The taxable amount of such sale is the proportionate share of the market value of the property being sold.

NEW SECTION

WAC 458-61-500 LEASEHOLD INTEREST. The transfer of any leasehold interest, other than an option to purchase real property including standing timber, is not subject to the real estate excise tax. (RCW 82.45.010)

NEW SECTION

WAC 458-61-510 LEASE WITH OPTION TO PURCHASE. The real estate excise tax shall apply to a lease with option to purchase when the purchase option is exercised:

- (1) If the option to purchase must be exercised within a period no longer then two years after the original commencement of the lease and the amount of lease payments will not exceed half of the purchase price; or
- (2) If none of the lease payments apply toward the ultimate sales price.

Transactions lacking the above criteria are taxable at the time that the lease with option to purchase agreement originates. The sales price shall be considered to be the purchase price stated in the lease-option agreement. If the selling price is not stated in the instrument, the grantor, grantee or the agent of either shall, by affidavit, state the option price intended and the tax levied hereunder shall be on such stated option price: PROVIDED, That upon execution and delivery of the instrument of conveyance or transfer pursuant to such option a second affidavit stating the actual consideration shall be filed with the county treasurer. If the actual consideration passing is greater than the option price stated in the affidavit filed at the time the lease-option was executed, there shall be collected the tax on such additional amounts prior to the time the deed is accepted for recording. If the actual consideration is the same as the option price originally stated, no additional tax will be collected. If the actual consideration is less than the option price stated, refund of excess tax shall be made.

NEW SECTION

WAC 458-61-520 MINERAL RIGHTS. (1) The real estate excise tax applies to the sale of mineral rights in private property. A quitclaim deed, in itself, is not a valid reason for tax exemption.

(2) A conditional sale of mining property in which the buyer has the right to terminate the contract at any time, and a lease and option to buy mining property in which the lessee-buyer has the right to terminate the lease and option at any time, shall be taxable at the time of execution only on the consideration received by the seller or lessor for execution of such contract. The tax due on any additional consideration paid by the buyer and received by the seller shall be paid to the county treasurer (a) at the time of termination, or (b) at the time that all of the consideration due to the seller has been paid and the transaction is completed except for the delivery of the deed to the buyer, or (c) at the time when the buyer unequivocally exercises an option to purchase the property, whichever of the three events occurs first.

NEW SECTION

WAC 458-61-530 MINING CLAIMS. (1) Patented mining claims are real property and their sale is subject to the real estate excise tax. Conveyance of patented mining claims by quitclaim deed is not a reason, in itself, for tax exemption.

(2) Unpatented mining claims are intangible personal property and therefore not subject to the real estate excise tax.

NEW SECTION

WAC 458-61-540 MOBILE HOME SALES. (1) The real estate excise tax applies to transfers of mobile homes that:

- (a) Have become affixed to land by being placed upon a foundation (post or blocks) with fixed pipe connections with sewer, water, and other utilities:
- (b) The mobile home's removal from the land is not a condition of sale; and
- (c) The retail sales or use tax has been paid on a previous sale or use of the home.
- (2) The retail sales or use tax applies to any of the following mobile home sales:
 - (a) Initial retail sale;
- (b) Sale from a dealer's lot of either a new or used unit:
- (c) Sale conditional on removal of the unit from its fixture to land; or
- (d) Sale of a unit that is not affixed to land by virtue of its placement upon a foundation (posts or blocks) with fixed pipe connections with sewer, water, and other utilities.
- (3) The sale of a new or used mobile home is subject either to the real estate excise tax as set forth in subsection (1) of this section, or to the retail sales or use tax as set forth in subsection (2) of this section. A single sale of a mobile home is not subject to both taxes.
- (4) The decision whether to apply the real estate sales tax versus the retail sales or use tax should be made without considering the mobile home's status as real or personal property on the assessment rolls. Both taxes are upon transfers of property and it is the characteristics of the transfer, not the classification, that determines which tax to apply. (Property Tax Bulletin, No. 79-2)
- (5) A separate mobile home affidavit is not necessary when the primary affidavit lists the make, model, year and serial number of the mobile home. This information should be listed as a separate item in the legal description portion of the affidavit.

NEW SECTION

WAC 458-61-550 NOMINEE. When a nominee has received title to or interest in real property on behalf of a third party, the one percent real estate excise tax does not apply to the subsequent transfer of the property from the nominee to the third party, provided both (1) the proper tax was paid on the initial transaction, and (2) either the affidavit for the initial transaction disclosed that the grantee was acting as a nominee for a third party, or a notorized statement which explains the nominee relationship is attached to the affidavit for the

second transaction. Such notorized statement must be dated on or prior to the first transaction.

NEW SECTION

WAC 458-61-560 PARTNERSHIP—FAMILY. (RCW 82.45.010)

 - (3) On-going.
- (a) The real estate excise tax does not apply to the assignment of partnership interest where the title to real property is not transferred.
- (b) The real estate excise tax applies to the transfer of partnership real property in exchange for valuable consideration.

NEW SECTION

WAC 458-61-590 RESCISSION OF SALE. The real estate excise tax does not apply to the transfer back of property from vendee to vendor. The tax paid on the original transfer is not refundable unless the recision of sale is pursuant to a court decree. (See WAC 458-61-330: Court order.)

NEW SECTION

WAC 458-61-600 RELOCATION SERVICE. The real estate excise tax applies to a deed naming no grantee which is given to a purchaser for a consideration and which vests equitable title in the purchaser. Subsequent delivery of the deed by such purchaser to a third person named as grantee in the deed for consideration is also a taxable sale.

NEW SECTION

WAC 458-61-610 RE-RECORD. The real estate excise tax does not apply to the re-recording of documents to correct legal description, change of contract terms, or spelling of name of party to the transaction. An affidavit is required for the re-recording and must refer to the prior affidavit number and the recorded document number for the prior transaction and it also must furnish a complete explanation of why such re-recording is necessary.

NEW SECTION

WAC 458-61-620 SALES MADE BEFORE IM-POSITION OF TAX. The real estate excise tax does not apply to any transfer for which the lease or contract was entered into prior to the date this tax was first imposed under chapter 28A.45 RCW. (RCW 82.45.010)

NEW SECTION

NEW SECTION

WAC 458-61-640 SHERIFF'S SALE. The real estate excise tax does not apply to any sale of real property made by a county sheriff pursuant to a court decree. A real estate excise tax affidavit must be filed with the county treasurer. (RCW 82.45.010)

NEW SECTION

WAC 458-61-650 TENANTS IN COMMON. (1) The partition of real property by tenants in common by agreement or as the result of a court decree is not a taxable transaction.

(2) The sale of the interest in real property from one or more tenants in common to remaining tenants or to a third party is a taxable transaction. The taxable amount of the sale is the proportionate share of the market value of the property being sold.

NEW SECTION

WAC 458-61-660 TIMBER, STANDING. The application of the real estate excise tax to the sale of timber is based upon whether or not the ownership of the timber transferred while the timber was standing.

- (1) The sale of standing timber is a taxable transaction.
- (2) The seller's irrevocable agreement to sell timber and pass ownership to it as it is cut is a taxable transaction if the total amount of the sale is specified in the original contract.
- (3) A contract to transfer the ownership of timber after it has been cut and removed from land by the grantee is a taxable transaction.
- (4) A contract between a timber owner and a harvester where the harvester provides the service of cutting

the timber and transporting it to the mill is not subject to the real estate excise tax. In this instance the timber owner retains ownership of the timber until it is delivered to and purchased by the mill.

NEW SECTION

WAC 458-61-670 TRADE-IN CREDIT. (1) Where single family residential property is being transferred as the entire or part consideration for the purchase of other single family residential property and a licensed real estate broker or one of the parties to the transaction accepts transfer of said property, a credit for the amount of the tax paid at the time of the transfer to the broker or party shall be allowed toward the amount of the tax due upon a subsequent transfer of the same property by the broker or party.

The subsequent transfer must be made within nine months of the original transfer for the credit to be allowed. If the tax which would be due on the subsequent transfer from the broker or party is greater than the tax paid for the prior transfer to said broker or party, the difference shall be paid, but if the tax initially paid is greater, no refund shall be allowed.

- (2) The affidavit upon which the trade-in credit is claimed must show all of the following:
- (a) The prior affidavit number where the tax was paid on the original (trade-in) transaction;
- (b) The county auditor's recorded document number for the original transaction, if such was recorded;
- (c) The transaction date of the original transaction; and
- (d) The disclosure that both properties involved in the original trade-in transaction are single family dwellings. (RCW 82.45.105)

(Note: The above trade-in credit is allowed toward the subsequent sale of the residence "brought in" on trade - not toward the tax liability of the sale of the residence for which it was traded.)

NEW SECTION

WAC 458-61-680 TRUST. The real estate excise tax does not apply to either a conveyance to a trustee or to a conveyance from the trustee to the original grantor or beneficiary. The tax does not apply to a conveyance from a trustee to a beneficiary where no consideration passes. The real estate excise tax applies to the sale of real property by the trustee to a third party for valuable consideration. (See WAC 458-61-410: Gifts and WAC 458-61-460: Inheritance)

STATEMENT OF PURPOSE

This statement is filed pursuant to chapter 324, Laws of 1981.

Re: Amending WAC 388-87-070.

The Purpose of the Rule Change: To add salary and wage increases as non-reimbursable hospital costs, and change the method of hospital cost reimbursement from the Medicare cost reimbursement method to the ratio of Hospital Commission Approved Operating Expense and Total Rate Setting Revenue as applied to approved charges.

The Reason this Rule Change is Necessary: To implement decision package 10-1 published in June 1982, and decision package 13-1-A published on October 28, 1981.

Statutory Authority: RCW 74.08.090.

Summary of the Rule Change: The first change allows the department to control wage and salary increases independently of the hospital reimbursement methodology and the second part of the change mandates a different method of determining hospital rate reimbursement. This will result in no change in the definition of reimbursable cost and payment levels will be essentially the same as under the current system.

The Person Responsible for the Drafting, Implementation and Enforcement of the Rule: John Weeden, Community Services Program Manager, Division of Medical Assistance, Mailstop: LK-11, Phone: 3-7316.

These rules are not necessary as a result of federal law, federal court decision or state court decision.

Regulatory Fairness Act: Although this change does have an economic impact on the hospital industry, it affects small and large hospitals equally, and adds no administrative burdens.

AMENDATORY SECTION (Amending Order 1725, filed 12/3/81)

WAC 388-87-070 PAYMENT—HOSPITAL CARE. The department will pay hospital costs of eligible persons who are patients in general hospitals when such hospitals meet the criteria as defined in RCW 70.41.020. Except for nonallowable revenue codes and disallowed salaries and wages, reimbursable cost will be determined ((according to medicare cost reimbursement methods)) by the application of the ratio of hospital commission approved operating expense and total rate setting revenue. Recipients of medicaid funded hospital services must have been approved as financially and medically eligible for hospitalization. They are:

(1) Categorically needy recipients,

(2) Limited casualty program recipients. A deductible not to exceed one-half the payment the department makes for the first day of inpatient hospital care for each admission is the responsibility of the limited casualty program-medically needy recipients,

(3) Recipients of continuing general assistance.

The board of county commissioners of a fifth through ninth class county may not, simply by making a public announcement to that effect prior to the period for candidates' filings, cause the office of county prosecuting attorney to become a full-time office so as to prohibit the candidate then duly elected to that office from thereafter engaging in the private practice of law.

STATEMENT OF PURPOSE

Amend WAC 356-06-010.

Title: Definitions, (Emergency Appointment).

Purpose: Defines common words or terms used throughout Title 356 WAC.

Statutory Authority: RCW 41.06.150 (5), (6) and 7).

Summary: Proposed change would allow employees to be placed in an emergency appointment for the purpose of taking all accumulated vacation leave after termination of employment.

Reasons: To relieve an anticipated administrative burden on the agencies if accrued vacation leave is taken by an employee prior to termination of employment due to requirements of ESSB 5007 and the emergency adoption of WAC 356-18-100.

Responsibility for Drafting: Al Gonzales, Department of Social and Health Services, Office Building #2, MS: OB-14, Olympia, WA, Phone: 753-5184; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Social and Health Services, governmental agency.

WAC 356-06-010.

Title: Definitions, (Probationary Period).

Purpose: Defines common words or terms used throughout Title 356 WAC.

Statutory Authority: RCW 41.06.150 (5), (6) and (7).

Summary: Proposal would allow probationary periods to last up to twelve months rather than just six months.

Reasons: This change is necessary to implement the provisions of SHB 1226.

Responsibility for Drafting: Mike Welsh, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 754-1769; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

WAC 356-06-010.

Title: Definitions, (Supervisor).

Purpose: Defines common words or terms used throughout Title 356 WAC.

Statutory Authority: RCW 41.06.150 (5), (6) and (7)

Summary: Proposed change would modify the specified functions an individual must possess in order to meet the definition.

Reasons: Sponsor feels that the present definition of "supervisor" was developed to identify a level of supervision that the Personnel Board believed should be excluded from bargaining units. Sponsor feels the definition, as written, is unsuited for allocation and minimum qualification decisions and should be changed to reflect supervisory duties that are performed on a regular rather than an exception basis.

Responsibility for Drafting: John Calhoun, Personnel Officer, Department of Transportation, Highway Administration Building, MS: KF-01, Olympia, WA, Phone: 753-7337; Implementation: Department of Personnel; and Enforcement: Department of Personnel and the Personnel Appeals Board.

Proposed by: Department of Transportation, governmental agency.

Comments: Modification would reflect supervisory rather than appointing authority function.

Amend WAC 356-06-055.

Title: Exempt—Classified Service—Movement Between.

Purpose: Rule outlines the rights of classified employees appointed to exempt positions and their return rights back to classified service.

Statutory Authority: RCW 41.06.150.

Summary: Proposed changes enforce a four-year limitation on time spent in an exempt appointment with the right to return to the classified service. Proposal also would allow one four-year extension to be approved by the Personnel Board; outlines return rights.

Reasons: These changes are necessary to implement the provisions of SHB 1226.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-5928; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-06-080.

Title: Personnel Board-Powers-Duties.

Purpose: Rule outlines the responsibilities of the Washington State Personnel Board.

Statutory Authority: RCW 41.06.150.

Summary: Proposal defines the type of appeals heard by the Personnel Board as opposed to those heard by the recently established Personnel Appeals Board. Proposal also is of a housekeeping nature to coincide with some rule changes adopted on an emergency basis (effective July 10, 1982).

Reasons: Changes to (1) and (3) were necessary to avoid confusion as to the type of appeals heard by the Personnel Board as opposed to those heard by the Personnel Appeals Board. Changes to (5) (b) and (e) are necessary to implement the provisions of SHB 1226.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-5928; Implementation and Enforcement: Department of Personnel and the Washington State Personnel Board.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-22-120.

Title: Examinations—Promotional—Evaluations—Regulations.

Purpose: Rule states the manner in which promotional recruitment will be conducted.

Statutory Authority: RCW 41.06.150.

Summary: Proposed change would allow any employee (governed by Title 356 WAC) to apply for openings on a promotional basis regardless of status.

Reasons: The sponsor feels that it would be more fair to open promotional examinations to all employees working under the Merit System regardless of status rather than limiting the promotional rights to permanent employees only.

Responsibility for Drafting: Mike Welsh, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 754-1769; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-26-020.

Title: Registers—Appointments—How made.

Purpose: Rule states how appointments for filling vacancies shall be made.

Statutory Authority: RCW 41.06.150.

Summary: Proposal coincides with changes being proposed to WAC 356-30-190, 356-30-200 and 356-30-230 which state conditions in which administrative transfers and voluntary demotions may be made.

Reasons: To clarify in the rules conditions in which agencies may administratively transfer or voluntarily demote employees.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-5928; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-26-030.

Title: Register Designation.

Purpose: States composition, ranking, and life of registers.

Statutory Authority: RCW 41.06.150.

Summary and Reasons: Changes are necessary to coincide with several other rule amendment proposals listed in this filing which are necessary to implement the provisions of SHB 1226 (adopted on an emergency basis, effective July 10, 1982).

Responsibility for Drafting: Mike Welsh, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 754-1769; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-26-040.

Title: Registers—Name Removal for Cause—Grounds Enumerated—Requirements.

Purpose: States conditions and reasons in which a candidate may be removed from a register.

Statutory Authority: RCW 41.06.150.

Summary: Change would allow a reduction—in—force candidate two waivers before being removed from the register rather than one waiver.

Reasons: Since agencies are no longer required to hire the #1 candidate on the reduction—in—force register, or leave their position vacant, due to the provisions of SHB 1226, sponsor felt that the reduction—in—force candidate should also be allowed more than one option. The number of waivers allowed would then also be the same as that allowed for promotional candidates.

Responsibility for Drafting: Carol Schmitt, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-2374; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-26-060.

Title: Certification—General Methods.

Purpose: Rule states the number of names to be certified per vacant position from the registers.

Statutory Authority: RCW 41.06.150.

Summary: Proposed revision would change the rule of three to the rule of five.

Reasons: This proposal is necessary to implement the provisions of SHB 1226.

Responsibility for Drafting: Carol Schmitt, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-2374; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Repeal WAC 356-30-045.

Title: Appointments—Past Exempt Employees—To Classified Positions.

Purpose: Rule outlines the rights of those exempt employees who previously held permanent status in the classified service to return to the classified service.

Statutory Authority: RCW 41.06.150.

Summary and Reasons: Due to changes necessary to WAC 356-06-055 to implement the provisions of SHB 1226, the sponsor combined the provisions of WAC 356-30-045 with those in WAC 356-06-055 to provide for one rule governing exempt appointments and return rights rather than two rules in two separate chapters; change will avoid confusion in locating rule(s) concerning exempt employees.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11,

Olympia, WA, Phone: 753-5928; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-30-050.

Title: Appointments—Emergency—How Made—

Purpose: States how emergency appointments shall be made and the status of incumbents in an emergency appointment.

Statutory Authority: RCW 41.06.150.

Summary: Change would allow an employee to be placed in an emergency appointment for the purpose of taking all accumulated vacation leave after termination of employment.

Reasons: To relieve an anticipated administrative burden on the agencies if accrued vacation leave is taken by an employee prior to termination of employment due to requirements of ESSB 5007 and the emergency adoption of WAC 356-18-100.

Responsibility for Drafting: Al Gonzales, Department of Social and Health Services, Office Building #2, MS: OB-14, Olympia, WA, Phone: 753-5184; Implementation: All state agencies; and Enforcement: Department of Personnel.

Proposed by: Department of Social and Health Services, governmental agency.

Amend WAC 356-30-160.

Title: Eligibility for Promotional Examination and Certification.

Purpose: States basis in which employees may apply on a promotional basis.

Statutory Authority: RCW 41.06.150.

Summary: Change would allow probationary period employees to be certified from registers after serving at least six months of a probationary period.

Reasons: Proposed change would allow equal promotional rights for all probationary employees regardless of the length of their probationary period; SHB 1226 allows for probationary periods of up to twelve months.

Responsibility for Drafting: Mike Welsh, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 754-1769; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-30-190.

Title: Transfer—Within Class—Agency—Permitted—Report.

Purpose: Allows agencies to make intra-agency transfers of permanent employees, within a class.

Statutory Authority: RCW 41.06.150.

Summary: Revision would not allow administrative transfers in view of available reduction-in-force candidates.

Reasons: The Personnel Appeals Board concluded in Declaratory Ruling No. 82-1 that reduction-in-force candidates were to be considered before administrative transfers or voluntary demotions could take place for filling of vacant positions.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-5928; Implementation: All state agencies; and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-30-200.

Title: Transfer—Between Classes—Approval.

Purpose: States how transfers between classes may be made.

Statutory Authority: RCW 41.06.150.

Summary: Revision would not allow administrative transfers in view of available reduction—in-force candidates.

Reasons: The Personnel Appeals Board concluded in Declaratory Ruling No. 82-1 that reduction-in-force candidates were to be considered before administrative transfers or voluntary demotions could take place for filling of vacant positions.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-5928; Implementation: All state agencies; and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-30-230.

Title: Demotion—Voluntary.

Purpose: Outlines circumstances in which permanent employees may voluntarily demote.

Statutory Authority: RCW 41.06.150.

Summary: Revision would not allow administrative voluntary demotions in view of available reduction—inforce candidates.

Reasons: The Personnel Appeals Board concluded in Declaratory Ruling No. 82-1 that reduction-in-force candidates were to be considered before administrative transfers or voluntary demotions could take place for filling of vacant positions.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-5928; Implementation: All state agencies; and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-30-260.

Title: Probationary Period—((Six-Months)) Provisions—Status of Employee.

Purpose: States status and probationary period of employees appointed from open competitive and reemployment registers.

Statutory Authority: RCW 41.06.150.

Summary: Proposed revision would allow probationary periods of 6 to 12 months; also, outlines criteria to be considered by the Personnel Board when agencies request probationary periods of longer than six months.

Reasons: Proposed change is necessary to implement the provisions of SHB 1226.

Responsibility for Drafting: Mike Welsh, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 754-1769; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-30-280.

Title: Probationary Period—Transfer, Intra-Agency ((Re-)) Appointment to Higher Class.

Purpose: States conditions and status of employees reappointed to a higher class or transferred while serving a probationary period.

Statutory Authority: RCW 41.06.150.

Summary: Proposed change would allow employees to be promoted after serving six months in a probationary period; also, provides employees who have been appointed to a higher level class while serving in a probationary period to gain status in the lower level class while serving the trial service in the higher level (probationary period and trial service period would overlap).

Reasons: Proposed change is necessary to implement the provisions of SHB 1226.

Responsibility for Drafting: Mike Welsh, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 754-1769; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Amend WAC 356-30-300.

Title: Performance Evaluation—Requirements—Monitoring.

New WAC 356-30-305.

Title: Trial Service Period—Provision. Statutory Authority: RCW 41.06.150.

Summary: Proposal provides a rule to state the provisions of trial service periods.

Reasons: Due to SHB 1226, allowing probationary periods of six to twelve months, a rule is necessary to clarify length of trial service periods.

Responsibility for Drafting: Mike Welsh, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 754-1769; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

Title: Reduction-in-Force-Rules, Regulations-Procedure.

Purpose: Outlines procedures for reduction-in-force.

Statutory Authority: RCW 41.06.150.

Summary: Proposal revises manner in which seniority is determined; allows for performance evaluation to be final tie breaking factor.

Reasons: To implement the provisions of SHB 1226, it is necessary to include employee performance as a factor in determining seniority.

Responsibility for Drafting: Roger Sanford, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-5928; Implementation and Enforcement: Department of Personnel.

Proposed by: Department of Personnel, governmental agency.

New WAC 356-34-117.

Title: Scheduling of Hearings—Time Allotted.

Statutory Authority: RCW 41.06.120, 41.06.150, 41-.06.340 and 41.56.140 through 41.56.190.

Summary: Requires the Personnel Board's hearings coordinator to schedule a hearing after conferring with the parties about available dates and length of hearing. Requires parties, once a hearing is scheduled, to timely notify the Personnel Board's hearings coordinator of any need for change.

Reasons: Too frequently, hearings are set and then have to be rescheduled, or they take longer than the time allotted. This proposal should reduce the instances of that happening.

Responsibility for Drafting of Proposal #1: Richard A. Heath, Assistant Attorney General, Temple of Justice, MS: AV-21, Olympia, WA, Phone: 753-2578; Proposal #2: John Calhoun, Personnel Officer, Department of Transportation, Highway Administration Building, MS: KF-01, Olympia, WA, Phone: 753-7337; Implementation: Department of Personnel; and Enforcement: State Personnel Board.

Proposed by: State Personnel Board, governmental unit.

Heath, Assistant Attorney General, Temple of Justice, MS: AV-21, Olympia, WA, Phone: 753-2578; Proposal #2: John Calhoun, Personnel Officer, Department of Transportation, Highway Administration Building, MS: KF-01, Olympia, WA, Phone: 753-7337; Implementation: Department of Personnel; and Enforcement: State Personnel Board.

Proposed by: State Personnel Board, governmental unit.

New WAC 356-42-083.

Title: Investigation of and Disposition of Unfair Labor Practice Charges.

Statutory Authority: RCW 41.06.340 and 41.56.140 through 41.56.190.

Summary: This proposal would expand the existing WAC 356-42-080(3); requires the Department of Personnel to investigate the charge and either dismiss it or file a complaint; provides for amendment of the charge before a complaint is filed if charge is not complete; provides that the Department of Personnel will serve the complaint.

Reasons: To assure that if a complaint is filed, that it contains sufficient information to put the answering party on notice of the basis for the complaint.

Responsibility for Drafting: Richard A. Heath, Assistant Attorney General, Temple of Justice, MS: AV-21, Olympia, WA, Phone: 753-2578; Implementation: Department of Personnel; and Enforcement: State Personnel Board.

Proposed by: State Personnel Board, governmental unit.

New WAC 356-42-084.

Title: Answer to Complaint—Unfair Labor Practice. Statutory Authority: RCW 41.06.340 and 41.56.140 through 41.56.190.

Summary: Proposal requires the charged party to answer the complaint within 20 days; requires the answer to admit, deny or explain the facts alleged; provides that failure to answer constitutes an admission for purposes of the hearing.

Reasons: To put both parties and the Personnel Board on notice of the matters which are in dispute. This procedure should shorten hearings and focus the parties on the matters for which they will have to present evidence.

Responsibility for Drafting of Proposal #1: Richard A. Heath, Assistant Attorney General, Temple of Justice, MS: AV-21, Olympia, WA, Phone: 753-2578; Proposal #2: John Calhoun, Personnel Officer, Department of Transportation, Highway Administration Building, MS: KF-01, Olympia, WA, Phone: 753-7337; Implementation: Department of Personnel; and Enforcement: State Personnel Board.

Proposed by: State Personnel Board, governmental unit.

Amend WAC 356-42-100.

Title: Impasse Arbitration.

Purpose: To provide for arbitration by the Personnel Board of impasses in collective bargaining negotiations between employing agencies and exclusive bargaining representatives and to require each party to file a statement of position.

Statutory Authority: RCW 41.06.150.

Summary: Proposal adds the word "impasse" to the title; changes appointing authority to employing agency; requires parties to arbitration to file statement of position with the Personnel Board before a hearing is held.

Reasons: To allow the Personnel Board to have an understanding of what the arbitration will be about prior to the hearing.

Responsibility for Drafting: Richard A. Heath, Assistant Attorney General, Temple of Justice, MS: AV-21, Olympia, WA, Phone: 753-2578; Implementation: Department of Personnel; and Enforcement: State Personnel Board.

Proposed by: State Personnel Board, governmental unit.

Repeal WAC 356-46-130.

Title: State Housing Committee—Responsibilities.

Purpose: Outlines the responsibilities of the State Housing Committee, an advisory group to the State Personnel Board on matters pertaining mainly to the rental and utility rates charged to state employees required to live in agency-supplied housing.

Statutory Authority: RCW 41.06.150.

Summary and Reasons: There is no specific statutory requirement to develop and maintain a standardized method for such determinations. At the request of several concerned legislators, the Personnel Board established the State Housing Committee which, in turn, developed the "Rental and Utility Rate Guidelines" adopted by the Personnel Board effective July 1, 1977. Reductions—inforce within the Department of Personnel has reduced staff support capabilities for this function. The Department of Personnel and the Personnel Board believe that perhaps a state agency such as the Office of Financial Management is better equipped to offer staff support. Repeal of WAC 356-46-130 will remove these responsibilities from the Department of Personnel and the Personnel Board.

Responsibility for Drafting: Robert Makula, Personnel Analyst, Department of Personnel, 600 South Franklin, MS: FE-11, Olympia, WA, Phone: 753-4741.

Proposed by: Department of Personnel, governmental agency.
